Total Names in 95-15 is 855

Erasures and omissions detected at bottom of each sheet. These errors due to family giving me names of dead or married members or a new born child which was recorded before the fact became known to me.

There were error in numbering one farm schedule due to fact that I did not at first treat each district as distinct and separate from the others. To correct this and number in the numerical order of place in population schedule I have changed 28 to 16½ and 25 is left vacant.

There are 182 Farm Schedules
